30-DAY PLAN · FACELESS PAGE

30 Din ka Content Plan

Calendar + 13 fill-in script templates. Har din kya post karna hai, decide ho chuka hai.

Kisi bhi faceless niche ke liye

KAISE USE KAREIN

Plan ka logic

Har din ek **format** hai (List, Myth, Story...). Aap bas apne niche ka topic bharte ho.

Kyun formats? Ek jaisi reels roz daalne se audience bore hoti hai. Formats badalne se har din kuch naya lagta hai, aur aapko pata chalta hai kaunsa format aapke niche mein chalta hai.

Har hafte ek Recap (din 7, 14, 21, 29). List aur recap reels sabse zyada save hoti hain.

Niche: Money tips · Format: Myth

> **HOOK:** Sabse bada jhooth: "paisa bachane se ameer bante hain."

> **BODY:** Bachat zaroori hai, par sirf bachat se paisa nahi badhta. Mehngai har saal uski value kam karti hai. Isliye bachat ke saath seekho ki paisa kaam pe kaise lagta hai: skill, side income, aur samajhdaari se invest.

> **CTA:** Agree karte ho? Comment mein "haan" likho.

Total: ~25 second. Screen pe har line ke 3–5 bade shabd.
